Vcheck

Vcheck offers those planning to buy a second-hand vehicle a quick and easy way to obtain important information prior to purchase. Vcheck can be purchased for a car, truck, caravan, trailer, bus or motorcycle which has been manufactured on or after 1 January 1989.

The following information may be included on Vcheck:

- Vehicle identification information (for example, VIN, engine number, make, model, fuel type, purpose of use, body shape, year of manufacture, colour, seating capacity and cylinders / rotors and so on)
- Vehicle status information (for example, stolen status, written-off status, registration expiry date)
- Vehicle history information (for example, transaction date and type, engine number, purpose of use, odometer reading, postcode where vehicle is garaged)
- REVS (Register of Encumbered Vehicles) information (for example, outstanding finances)

Vcheck will not provide the registered owners details.

The screenshot shows the ABR website interface. At the top left is the ABR logo with the tagline 'Excellence in Information'. Below the logo is a navigation menu with links: home, login, register, abr profile, services, corporate, fees, visitors, oneoff search, contact, my account, site map. On the left side, there is a vertical menu titled 'Subscriber Access' with sub-links: New Subscribers, ABR Profile, ABR Services, ABR Corporate, Fees and Charges, Visitors, One Off Search, and Contact. The main content area is titled 'Subscriber Access' and contains the following text: 'As a subscriber to ABR OnLine you have available a range of services and several databases which can be accessed from this site. **Please note:** ABR's Internet Customer Service is available from 7.30am to 5.30pm (e.s.t), Monday to Friday.' Below this is an 'IMPORTANT' notice: 'A new pricelist is available for ABR services' with a link to 'Click here for Products & Services Pricing Schedule effective 1st July 2007'. A numbered list of 22 services follows, with 'VCheck - Vehicle Searches' at item 14. A pink callout box with an arrow points to this item, containing the text 'Select Vcheck option on the menu.'

- Vcheck = Vehicle ID and WOVR
- Vcheck Plus = Vehicle ID, WOVR & REVS
- Vcheck History = Vehicle ID, WOVR & history
- Vcheck Premium = Vehicle ID, WOVR, history & REVS

Vehicle ID – VIN number
 WOVR – Written-off vehicle register
 History – Odometer readings for vehicles that are or have been registered in the state of QLD only
 REVS – Certificate that will advise if the vehicle has been used as security for a loan from a bank, finance company, credit union or other credit provider.

Disclaimer: The information on this document is extracted from information provided by industry or individuals. As a result Queensland Transport does not warrant the accuracy of any information on this document. The information is current at the date and time, as specified in Queensland time. As Tasmanian data is not held on the system, you should contact Tasmania directly and conduct a separate search for information on vehicles registered in that State.

The Transport Operations (Road Use Management - Vehicle Registration) Regulation 1999 prohibits the release of detailed damage information for written-off vehicles. This search has been undertaken on the VIN only. For information on the written-off vehicle register and inspections visit Queensland Transport's website: www.transport.qld.gov.au

CITEC and Queensland Transport, its agents and employees, shall not be held liable for any loss of income, claim, injury or damage suffered by the recording, or supply, of incomplete, incorrect, misleading, inaccurate, duplicated or out-of-date information contained on this document.

Results will vary according to the search you have requested.

Glossary

Base Record	The first available record. Body shape: is the physical shape of the vehicle (for example, sedan, wagon, hatch).
Cancellation	Refers to either automatic or voluntary. <ul style="list-style-type: none"> Automatic cancellation occurs when registration payment is not received within 60 days of the expiry date or is not received for some other acceptable reason. Voluntary cancellation of registration is at the registered operator's request, the request may be as a result of the vehicle: being for sale, stolen or destroyed, re-registered interstate, no longer used on roads, involved in an accident.
Colour	Is the exterior paint of a vehicle. A vehicle can have two colours; primary which is the more predominant colour and secondary, which is the less predominant colour.
Cylinders or Rotors	Cylinders or rotors are the vehicles method of propulsion.
Engine number	Identifies the motor of a motor vehicle/bike and is any combination of letters/numbers and may vary in length.
Exempt written-off inspection	Queensland Transport has deemed that the damage (for example, hail) sustained by a vehicle is not sufficient to warrant a written-off vehicle inspection.
Make	The name of the manufacturer (for example, Ford, Holden, Mitsubishi).
Model	The name of the family that relates to the make (for example, Falcon, Commodore, Lancer).
New business	Refers to registering a vehicle in Queensland that is: <ul style="list-style-type: none"> currently unregistered, registered interstate or is a new vehicle.
Odometer	A measure of distance travelled. All odometer readings appearing on this document have been extracted from information provided by industry or individuals and therefore Queensland Transport does not warrant the accuracy of these readings.
Pass written-off inspection	As inspection has been completed for a vehicle which was previously classified as a repairable write-off.
Plate transfer	This indicates that: <ul style="list-style-type: none"> new plates have been issued due to the original plates being lost, damaged or stolen customised or personalised plates have been removed or attached

REVS/Security Interest Certificate	The register of security interests (otherwise known as REVS) provides access to a database of vehicles that have money owing on them. When a bank, finance company or individual takes out an interest in a vehicle (that is, provides a loan to the owner) they register their interest in the vehicle with the Department of tourism Fair Trading and Wine Industry Development.
Police report reference number	The reference number identifying the stolen vehicle report.
Postcode	The postcode of the address at which the vehicle has been or is garaged.
Seating capacity	The number of all seated adult persons including the driver legally permitted in a vehicle at any one time.
Vehicle identification number (VIN)	A unique alpha numeric combination of 17 characters assigned to a vehicle. It does not contain the letters I, O or Q.
Written-off Vehicles	Those vehicles which have been in an accident, or suffered some form of water, fire or malicious damage. Written-off vehicles are classified as either a statutory or repairable write-off.
Repairable write-off	A vehicle that has been assessed as uneconomical to repair. The vehicle will only be re-registered if it is repaired and passes a written-off vehicle inspection and Safety Certificate inspection.
Statutory write-off	A vehicle that is too badly damaged to be repaired to a standard that is safe for road use, therefore it is suitable only for use as parts or scrap. The vehicle will not be allowed to be re-registered.

These vehicles include:

- A motor vehicle or trailer, other than a motorbike, that has been immersed:
 - in salt water above the doorsill level for any period
 - in fresh water up to the dashboard or steering wheel for more than 48 hours
- A motorbike that has been fully immersed:
 - in salt water for any period - in fresh water for more than 48 hours
- A motor vehicle or trailer that has been burnt to the extent that it is fit only for wrecking or scrap.
- A motor vehicle or trailer that has been stripped of all, or a combination or most, interior and exterior body parts, panels and components. Examples of body parts, panels and components; engine, wheels, bonnet, guards, doors, boot.
- A motor vehicle, other than a motorbike, that has been damaged by at least three of the following impact damage indicators:
 - damage to an area of the roof equal to or exceeding 300mm x 300mm

- damage to an area of the cabin floor pan equal to or exceeding 300mm x 300mm
 - damage to an area of the firewall equal to or exceeding 300mm x 300mm
 - any damage to the suspension

 - damage in the form of cracks or breaks to major mechanical components (examples of major mechanical components - engine block, transmission casings)
- A motorbike that has:
- impact damage, other than scratching, to the suspension and

 - at least two areas of structural frame damage

Transfer Registration A change of registered operator (that is, the person responsible for the operation of the vehicle)

Written-off Vehicle damage details:

- Dismantled - a statutory write-off that is stripped of interior and exterior body parts, panels and components
- Fire damage - sections or all of the vehicle has been burnt by fire
- Hail damage - sections or all of the vehicle has been damaged by hail
- Impact damage - damage caused, due to violent contact with another object
- Malicious damage - wilful damage or destruction of a vehicle
- Refer jurisdiction - contact the registration authority displayed in the 'state of registration'
- Unrecovered theft - a stolen vehicle that has not been recovered - contact the relevant registration authority
- Water damage** - immersed in fresh or salt water
